FADE IN:

EXT. ABANDONED ROAD - NIGHT

Far away.

There is nothing on the road except for street lights shining on the black pavement. There is nothing but silence.

Beat.

From a distance you start to hear a roaring car and rap music. The car speeds into frame and screeches to a stop. You can hear the music blasting from the car. The door opens and you can hear the music more clearly as a feminine figure is thrown out. The figure stays on the ground as the door is slammed shut. Tires screech as the car speeds off and the music gets farther away.

CAMERA SLOWLY ZOOMS IN TOWARDS THE GIRL.

FADE TO BLACK.

FADE IN:

INT. INSIDE CAR - DAY

CAMERA IS AT THE LEFT CORNER.

A GIRL SITS IN THE FRONT SEAT OF A CAR. YOU CAN HEAR HER SINGING ALONG TO MUSIC AND DANCING AS WIND BLOWS THROUGH THE OPEN WINDOW. SHE SMILES AND LOOKS TO THE DRIVER'S SIDE OF THE CAR.

CAMERA PANS TO THE DRIVER'S SIDE OF THE CAR.

A BOY SITS IN THE DRIVER'S SIDE OF THE CAR.
